ABOUT US

INTRODUCTION

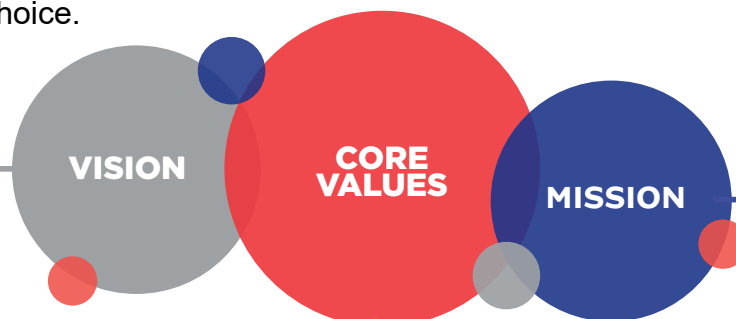

Rumphi Enterprises Limited stands as Zambia's leading cleaning company, with over 20 years of industry expertise. We are proud to be the first Zambian cleaning company affiliated with the world-renowned cleaning body ISSA. We specialize in providing professional and customized cleaning services, as well as manufacturing cleaning detergents and other consumer goods.

VISION

Our vision is to be the global benchmark of excellence in cleaning services and consumer goods, fostering lasting client relationships through exceptional services, and ultimately being their number one choice.

MISSION

Our mission is to consistently provide high quality products and professional services using innovative methods, ensuring operational efficiency and exceeding customer expectations.

CORE VALUES

Innovation

We embrace change and creativity, constantly seeking better ways to serve our clients and stay ahead in our industry.

Integrity

Our actions are guided by honesty and respect, ensuring we earn the trust of everyone we engage with.

Excellent Customer Service

Our customers are at the heart of our mission. We strive to provide service that is not just good, but truly exceptional.

Teamwork

Together we achieve more. We believe that collaboration and open communication are key to exceptional success. By working as a united team, we leverage our strengths and support each other.

OUR SERVICES AND EXPERTISE

At Rumph Enterprises, we specialize in providing customized hygiene solutions that cater to the specific needs of every industry. Whether you're managing a bustling commercial office, a busy hospital, a school, or even a high-traffic restaurant, our services are designed to keep your environment spotless, safe, and inviting.

From factories to gyms, hotels to government buildings, our expert team works closely with you to craft flexible, seamless hygiene plans that adapt to your organization's changing needs. With Rumph, you don't just get a service—you get a partner in excellence.

WHY CHOOSE US

1

Experience and Expertise

With over 20 years in the industry, our team of highly trained professionals brings unparalleled expertise to every project. This extensive experience ensures we deliver precise, reliable, and consistent results tailored to your specific needs.

2

Quality Control Assurance

Our commitment to quality control is unwavering. We recognize that our work reflects our brand and directly affects our clients' environments. Our objective is to meet your cleaning needs while ensuring the highest standards of service. We are registered with ISSA and Janitorial Store, aligning with best practices in cleaning. Our quality control measures include:

- Regular staff training, customized for specific industries, including factory cleaning, hospital cleaning, and cross-infection control. Topics covered include health and safety, personal hygiene, and effective cleaning procedures, ensuring our team is well-prepared to deliver the highest standards of service.
- Non-Contractual Services: A supervisor is on-site to maintain quality and exceed client expectations.
- Contractual Services: We provide trained staff, a consistent supply of consumables and PPE, regular inspections, and monthly feedback forms to monitor performance and make continuous improvements. Customized cleaning plans are tailored to meet each client's specific needs.

3

Customized Cleaning Solutions

We offer fully customized solutions tailored to each client's unique needs, including the manufacture of bespoke cleaning detergents to tackle specific challenges.

4

Innovative Product Partnerships

Partnering with renowned companies like Direct Cleaning Solutions and STS Training Specialist, we provide cutting-edge cleaning equipment and techniques, ensuring our personnel are equipped with the latest skills in the industry.

5

Cost Efficiency

By offering a complete package of cleaning services and supplies, we eliminate the need for multiple vendors. Our in-house manufacturing ensures high-quality materials at competitive prices, while our efficient processes enhance operational efficiency.

6

Comprehensive Hygiene Solutions and Full-Service Partnership

Our clients enjoy the convenience of a full-service partnership. We supply everything needed on-site, from cleaning consumables to specialized equipment, ensuring a clean, safe, and hygienic environment.

This integrated approach allows us to deliver a complete suite of hygiene services, including pest control, disinfection, laundry, and landscaping, making us the ideal partner for businesses seeking a reliable, all-in-one solution.
